Pledge of Allegiance, Treasurer's Report

We discussed the opening date at the Museum, with a potential opening date in May. Prior to the opening day to the public, we made plans to rearrange some large furniture and other objects to make the walking aisles more comfortable. We have a target date of April 17 to meet at the Museum at 10 a.m. There will be advertising in local newspapers and social media to invite new members. As the 250<sup>th</sup> Anniversary approaches in 2026, we are appointing members and forming subcommittees to begin the research for the celebration.

Learned that Kent House on Middlesex Turnpike will have to be rezoned as residential. Nordblom has been before the Planning Board with a concept of the Kent House remaining, with new construction of townhouses on both sides. Good to know that the Kent House will stay.

Budget will be presented to Ways and Means at the April 7 meeting. This will include \$3500 for gravestone restoration at the Old Burial Ground. Ron Surabian has contacted Frank Anderson and will be starting the next phase of stone work as soon as the weather permits.

Historical Commission website is a work in progress. The previous website was removed by Mike Tredeau. There will be a letter sent to the Trustees of Mary Cummings Park requesting a copy of the inventory that was removed during field clearing. Mass Historical Commission should have the inventory list as well.

Meeting Adjourned at 8:22 p.m.
