001 Discussion: Trash/Recycle Collection Winn Street Commons

Residents of Winn Street Commons, Sheila Murphy, Alfred Manzelli and Rodrigo Vargas are requesting that the condominium complex they reside at be considered for trash removal by the Town's contractor. They had multiple concerns, including rodents and taxes. Brian White explained that it will depend upon logistics, and to confirm that the residents will speak to the other occupants of the complex to ensure all are in agreement. Brian White will be in contact with Republic Services to set up a time for them to come out and do an assessment to confirm the trucks will be able to maneuver the street and the totter style system will work in the area. It was explained to the residents that due to the budget already being in place for FY2024. The earliest this would be able to begin would be July 1st of 2024. Moving forward, the residents will contact the other members of the property and Republic Services will come out to do an assessment. This discussion will be continued at a later date.
