**SELECT BOARD  
MINUTES - ALCOHOL SUBCOMMITTEE  
Town Hall  
BURLINGTON, MA**

**Monday, June 26, 2023**

Present: Select Board Alcohol Subcommittee Members Joe Morandi and Mike Espejo  
Attorney Tom Traux and Store Owner Ashuin Rathad

**Discussion: Raja and Rana's New package Store License (Beer and Wine)**

Competing Businesses in the area has caused them to reconsider their Business model, starting selling tobacco and lottery and now requesting beer and wine or after a ten years successful Business they feel it will not survive. A new drawing was submitted to see the exact location of where they would like to store the beer and wine. All employees will be TIPS certified. They already have an ID checking system but will be sure to implement a process to be sure no alcohol is served to anyone under age and only during the designated times.

Joe reminded them on Sunday hours in Burlington and discussed possibly covering the shelves that hold alcohol when it isn't being sold, and the coolers lights turned out when not in use.

Mike wanted some more time to think about it about understood the need to stay competitive.

This will be heard by the entire Board thru Public Hearing on July 17<sup>th</sup>.

**Other**

No other business discussed.

**Adjourn:** The meeting adjourned at 12:32 p.m.
